7. JESUS WITHDREW AGAIN	15

Rejected by the authorities, Jesus withdrew. A large crowd follows Him into the wilderness. Jesus questions His disciples, how they might provide for the crowd? Jesus miraculously provided an abundance for them.

Who could He be?

He provided for them bread in the wilderness. The crowd confessed Him to be “the Prophet who is to come into the world,” and wanted to install Him as the Messianic king immediately.

Jesus withdrew again. Why?

“Was it not necessary for the Christ to suffer these things and to enter into His glory?”
