4. THE VICTORY OF JESUS CHRIST OVER SIN FOR THE BELIEVER	25

The believer is freed from the Law, and married to Christ (Romans 7:1-6). The questions might arise, "Is the Law sinful? . . .Did the Law cause death?" No and no.

Sin is the problem, and indwelling sin resides in the flesh.

Flesh is unable to keep the Law, but the good news is that Jesus Christ can give victory over sin, even to believers while they still live in the flesh.
